PHILADELPHIA – June 19, 2018 – American Heritage Credit Union and Entercom Philadelphia's 98.1 WOGL-FM held their Annual Car Show, Craft Show and Member

Appreciation Day on Saturday, June 9, 2018 on the grounds of American Heritage Credit Union's headquarters in Northeast Philadelphia. The event raised over \$12,000 for American Heritage's Kids-N-Hope Foundation, which supports the Music Therapy Program at the Children's Hospital of Philadelphia and other local area hospitals in American Heritage's Workplace Partnership Program. American Heritage was the first credit union in the country to create its own charitable foundation.

Thousands of credit union members and area residents spent a fun-filled Saturday afternoon observing classic cars, shopping at the 40-vendor craft show, enjoying games and entertainment for the family while listening to a live broadcast from 98.1 WOGL. Additionally, attendees had the opportunity to meet Philadelphia Eagles legends coach Dick Vermeil and former player Vince Papale.

Nearly 300 classic, muscle and new generation vehicles — from Roadsters to Rolls Royces — were judged to determine the winners of: "WOGL Choice," "Coach Dick Vermeil's Choice," "Vince Papale's Choice," "CEO's Choice," and "Best of Show" trophies, along with trophies awarded by classic car industry experts to the top 50 show cars and best in class.

98.1 WOGL is a part of Entercom, a leading American media and entertainment company and one of the two largest radio broadcasters in the country.
